For those days that they are on 33rd/35th/38th and Grand as well as Hope street and Broadway, can we instead of them on Grand/Flower between 52nd and 55th. I know they benn hitting upwards around 47th, so let's have start back down on 57th going up.

Note: The areas around 33rd, 35th, Broadway and Hope those are within the ABH catchment zone.

This will be for the Grand Ave Care team, that should only be hitting the areas abutting the 110 freeway.

As mentioned in previous conversations, I would like for them to hit Grand/Flower between 45th to 57th 3x week, Gage to 59th Place 1x week, Gage to 84th 1x a week.

Please let me know how soon we could put this in effect, so I can relay to the residents.

James,

45th to 57th is quite a stretch, especially Grand & Flower we may need to break that up. Let me ask Gabe what he feels is best for the crews to be able to complete the assigned area. This is the Grand Avenue team correct. I will add this to your list today. Please keep in mind this will remove existing locations already scheduled.

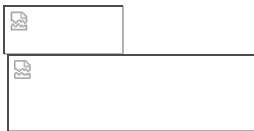

Much Appreciated,

Hello All,

I know with our current crises and pending lawsuits the city particularly your department has been in a tailspin. However, while we get thru these crazy times, I am hoping we can still address some of our community ongoing

concerns, specifically along Grand.

Per our previous conversations, I am hoping we can address the following matters we've discussed in the past.

1. Grand Ave Care Team focus on streets between 45th to 57th(both grand and flower side). Note: I've requested that they are there 3x week.
2. Permanent posting along those stretches which would allow for greater continuity and flexibility.

Please see email below which will exhibit the urgency of the matter.

Hi,

The green metal trash cans on Grand Ave are not getting picked up and many are missing. Also 58th st /Grand Ave doesn't have green trash cans and the corner is full of trash. Can we do something about this?

I took these pictures today of Grand Ave from 52nd Street to 54th Street and it totally unacceptable for the residents to have to live in these conditions. Why isn't Sanitation doing clean ups? Why is Grand Ave being ignored by the City Council and the NC. We have and continue to reach out to the without any results.

The homeless situation is one thing but for the City of LA to allow its streets to become trash cans is unacceptable. The residents of LA go to work every day, pay city taxes, state taxes, and homeowners taxes, why do we have to be subject to living in these conditions.

Officer Hurtado, you said you were going to looking into the RV over a week ago. There are signs posted for no parking between 2-4am. In the same picture is a SUV that appear to be living. There is an ordinance in place barring this kind of behavior. It is against the law for people to be in their vehicles overnight in a residential neighborhood. Why are these laws being ignored?

James, when can Sanitation get this area cleaned up?

Chelsea, you mentioned you had a contact at Sanitation and reached out to him via IG, did you ever hear back from him?
